Watauga River

Watauga is a Native American word meaning beautiful waters.

The Watauga River stretches approximately 19 miles between Wilbur Dam and Boone Lake offering some of the best fishing and floating in Northeast Tennessee. The river and species of trout are managed by Tennessee Wildlife Resource Agency (TWRA). The River offers some beginning rafting and kayaking waters for those who are interested in learning.

Welcome to our River Getaway...

View from our private fishing dock!

Unique river getaway on 2 private acres, private fishing dock, huge deck overlooking a setting that takes you back in time.

Located on one of only two trophy trout rivers in the entire state of Tennessee.

Fireplace, hardwood floors, leather furniture, tiffany lamps...all luxury!

Perfect for Gatherings....

Spacious rooms with plenty of windows brings the outdoors in and because of the outdoor amenities, our river house is perfect for gatherings such as family reunions, small weddings, story telling gatherings, church retreat's, artists retreat, executive retreat's or just a family getaway.

Family games, satellite TV, DVD's , CD player are provided. Water craft rental is within 5 minutes.

Main floor has 2 bedroom's, King / Queen bed's , both with sliding doors to deck with river views!

Game Room has pool table, wet bar, flat-screen TV, two bedrooms downstairs with 4 twin beds and full bathroom, futon sleeper and twin airbed.

Dining room has plenty of room!

Can you see the Fly Fishermen in the background? This shows how wide the river is.

Our River House is available for monthly rental to those moving into the area!
